HAPPY NEW YEAR!!!!

We are making plans for the year 2020 to be the best year ever. Here are a few of the events we will be having that you don't want to miss.

Please plan to be part of our new committees. Our plan is to get more information from our residents, so we can make Windsor House feel more like home.

Every Monday at 3:30 pm we will discuss "What's Happening" during the week to come.

Resident Counsel is a time when all residents are encouraged to give us your opinion about food service, activities, general care – laundry, cleaning, medicine distribution, and maintenance.

We are going to have a committee for monthly events. The committee will help Angela with party planning for the following month. A decorating committee will suggest decorations and help Angela decorate the building.

We will also discuss beginning an outreach committee. This committee will help with planning and discovering outreach opportunities in our communities. For those of us who love to serve.

Caregiver Corner

Kayah Noel

Caregivers Corner is designed to help our residents get to know our staff. A caregiver and medication technician, Kayah Noel, is the first to have a brief biography. According to Sheila Kayah is an Aries Rising. Aries rising people are real go-getters, they are fun, bright, lively and enthusiastic. This describes Kayah perfectly.

Kayah has been with Windsor House Greenville for two years. She is working on obtaining a license to become a Registered Nurse. Her graduation plan is to graduate in two years. After receiving her license, she plans to work for a hospice care group as a registered nurse.

Kayah will be marrying her love, Vinny, on October 3, 2020 (ask her about the significance of this date, it is a cute story).

Featured Resident

Cecil Ford has been a resident of Windsor House Greenville for three years.

He served on the Air Force from 1943 to 1946. And served a few years in the reserve. Then he married Maxine in 1946 to 2010. He speaks very fondly of her. They had 2 children, a boy and a girl. His son has gone to be with the Lord. His daughter visits often and makes coconut pie just like her mom (according to Cecil). I personally have tasted the pie and it is so delicious!

Cecil lived on a farm and worked for the telephone company for many years. He was responsible for installation, fixing phones/ equipment. As he learned more about his trade he became a manager.

In his spare time Cecil enjoyed hunting and fishing. Now he enjoys the quiet life at Windsor House. We are all thankful for knowing such a patient gentleman.

Hubby's Day

According to old Viking calendars, the Friday of the 13th week of winter is celebrated as Husband's Day in Iceland. Also known as *Bóndadagur*, it is the first day of the month of

Porri, or Thorri, in honor of Thor, the god of thunder. There are many traditions associated with this holiday honoring both the god and the master of the house or farm, or *bóndi*. In olden times, husbands were expected to rise first and welcome Thor with a special ceremony where they would go outside dressed in a shirt, with one leg of his trousers on and the other dragging behind him. He would then hop on one leg as a welcome to Thor. Since the mid-19th century, though, this day is more like Valentine's Day, and men are given gifts and treated to dinner. Not to be forgotten, Wife's Day arrives a month later on February 24.

January Birthdays

In astrology, those born between January 1–19 are the horned goats of Capricorn. As goats climb to great heights, Capricorns strive to get to the top, using discipline and common sense to find fame, prestige, and wealth. Those born between January 20–31 are the Water Bearers of Aquarius. As the water of life heals the land, so Aquarians are the humanitarians of the zodiac. Free-spirited, nonconformist, compassionate, and visionary, they support giving “power to the people.”
