Activity Director

**John Fulmer**  
Executive Chef

**Reggie Harvey**  
Maintenance

## September Brings a New Normal

On a weekly basis, Windsor House faces a new directive to better protect the health of the residents. We ask that our residents be patient with us while the staff orients to the changes and works on serving residents in the most efficient and safe way.

This being said, Angela will continue to discover new ways to relieve the boredom that is enviable. If you have a suggestion for an activity please contact Angela. She welcomes the help. Family visits are more important, if a video visit is desired and you need a device please let Angela know either during a room visit or call/text her at 864-436-6016.

Windsor House is also requesting that families visit residents at their window. We are currently working on clearing windows to allow visits for every room. If family members are bringing items for residents, please, restrict deliveries to Tuesday and Thursday between 10am and 5pm. Again, you can call Angela when you are arriving and someone will come to receive the items and deliver them to residents. This will allow staff the time to better serve residents.

Thank you to for your support and patients.

# Happy Birthday To Windsor House
